Hello boys and girls!

we would like to invite you for the 6th annual Celtic-St. Pauli-Party which will be held on Feb 7th 2009 in Hamburg-St. Pauli at the usual venue „Krust“.

On that weekend FC St. Pauli will play their home league match against Greuther Fürth in the Millerntor-Stadium and we can offer tickets for that match too. The matchday is not confirmed yet, it could be the Friday 6th (kick off 6 pm), Sunday 8th (kick off 2 pm) or (only one match each week) Monday 9th (kick off 8.15 pm).

We are happy to present again a nice package of brilliant live bands:
The Millerntor Brigade from St. Pauli www.millerntor-brigade.de

The Porters from Düsseldorf www.myspace.com/theporters

Adelante from Glasgow www.bebo.com/adelante-band

and a special guest will guarantee a good night worth to remember.

If you are interested to join the party and the football match, please write to party@stpauli-csc.de and we will inform you about tickets (both party and football match), accommodation, drinking laws and all the other important questions.

See you in St. Pauli! **Tiocfaidh ar la!**
